

Cliff Bentz best choice for District 60

Editor,

I am writing this letter in support of Cliff Bentz as state representative. I have known Cliff for 14 years and have always admired his ethics, his ability to get the job done and his concern and work for the community. He not only supports our community verbally, but he spends an immense amount of time working to improve our community, bringing new ideas and seeking solutions to problems. I have never known anyone so dedicated to trying to find solutions to the issues at hand and trying to make a difference. His honesty, his ethics and the standards he has set for himself are just what this community and this state needs to improve our future. I support his effort to be our state representative and would encourage anyone who cares about our community and wants to make a difference to support him as well.
